There is no financial objection to the appointment to fill an existing vacancy in the new grade 150-15-360 when it is sanctioned.

As regards the grant of advance increments in the grade, the pay of Rs.250 proposed does not fit in, in the new acale. Rs.240 will fit. The appointment of a new hand in an intermediate stage of a progressive salary is not ordinarily admissible but may be sanctioned by Government as a special case if the circumstances require an exception being made.

Subject:— Proposals for the appointment of Mr. Dominic Asirvadam, M.R.C.S., D.P.H., in the Sanitary Department.

The Sanitary Commissioner forwarded with his letter No.G.C.290 dated 26th November 1918, a telegraphic application from Mr. Dominic Asirvatham for the post of 2nd Assistant in the Public Health Institute and recommended that he might be appointed as Health Officer on Rs.270/- per mensem in grade of Rs.150-15-360.

On the 2nd December 1918, the then Dewan ordered that the applicant might be appointed for a term of 3 to 5 years including a probationary period of 6 months.

I think there is no necessity to offer a temporary appointment to the applicant, as he is a Mysorean and he may be appointed on a starting salary of Rs.250/- per mensem in grade of Rs.150-360.

The Second Member agrees in the above.

The Financial Secretary was consulted in the matter. He is of opinion that there is no financial objection to the appointment to fill an existing vacancy in the new grade when it is sanctioned and there is a vacancy.

In the above circumstances, the appointment recommended may be graciously sanctioned. He may be given a pay of Rs.240/- in the grade of Rs.150-15-360, which is being proposed in connection with the re-organisation of the Public Health Department.

Member of Council.
